UNIVERSAL CONTOUR DETOX AND INCH LOSS BODY WRAPS

Universal Contour Wrap is a sea clay based inch loss and detox wrap. The Classic Body Wrap takes around 2 hours.

You are measured, wrapped up in the bandages which have been soaked in mineral rich sea clay and then left for an hour. After the hour you are unwrapped and remeasured. You will lose a minimum of 6 inches from your first wrap.

It works by cleansing the kidneys and encouraging the movement of toxins via the lymph system. We ask you to drink plenty of water afterward to help keep the wrap working and it's quite possible to lose more inches in the following 4 - 5 days.

For maximum inch loss we recommend a course of 3 wraps taken 7 - 10 days apart. But there is no reason you can't have just one wrap.

1 x Classic treatment	£75.00
3x Classic treatment	£190.00

THE ELITE BODY WRAP
